1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a formal address, and it is the first of its kind since the signing of the Constitution. The President, James Buchanan, is addressing the Congress, and he is doing so in a very formal and dignified manner. He is discussing the state of the Union, and he is also discussing the issue of slavery. He is saying that the Union is in a state of peril, and that he is doing everything in his power to preserve it. He is also saying that he is not going to interfere with the rights of the States, and that he is not going to interfere with the rights of the people. He is saying that he is not going to interfere with the rights of the States, and that he is not going to interfere with the rights of the people.

Col. I respectfully beg leave to state the  
case of Corporal John D. Hardwick  
of my company, and ask that he be  
restored to duty without the formality of  
a Court Martial, with such stoppages of  
pay as the Commanding Genl. deems proper.  
He was a furlough on 19<sup>th</sup> July 1863  
for (7) seven days to visit his sick family.  
He was sick himself at the time.  
He went home, and remained absent  
without authority until about 20<sup>th</sup> May  
1863, when he rejoined his company vol-  
untarily. During his absence he sent a  
written statement of his own, signed by  
several of his neighbors stating that he was  
unable to travel, but sent no Surgeons' Certifi-  
cate. He has when with the Regt been  
an excellent soldier; on his return  
to the Regt. I made charges against  
him for absence without leave. He  
was imprisoned at Bowling Green  
and the Regt being ordered to Repulse

before a Court Martial was commenced  
at the former place. He was by the Post  
Commandant (Col Yarnall) sent with  
the Regt. & consequently has not been  
here

Very respectfully yours

NOTATION.

Book mark: 7892 B. 1887.

War Department.

Adjutant General's Office.

Washington, Nov. 28, 1887.

This man deserted on or about October

15, 1862, and returned

on or about September 2, 1863.

As he was subsequently restored to duty by S.F.O. No

84, Adj. Gen. Wm. G. Davis, Nov. 15, 1863,

without trial, but upon conditions which appear to have

been complied with (so far as not waived by the Gov-

ernment), the charge of desertion no longer stands

against him. The record of the fact that he was absent

in desertion from on or about October 15,

1862 to on or about Sept. 2, 1863,

cannot, however, be expunged.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, on the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Proceedings of a Military  
Commission of which  
Maj. George F. White is  
President commenced  
June 15 1865 in the case  
of Privt. James A. Henson  
Co. E. 12<sup>th</sup> Reg. Inf. V.

The Commission finds that  
he is not a deserter &  
respectfully submit this  
case to the Department  
recommending that the  
quality of desertion may  
be remitted without  
trial & that he be reinstated  
out of the service.

To June 15 1865 J. A. R.

Head Quarters Military Commission

Smithville Ky June 15<sup>th</sup> 1865.

Capt. Charles E. Bush

U. S. Army.

For information & Special orders No. 241 from this Head Quarters dated Oct. 21<sup>st</sup> 1864. The Commission of 1. to a Major George F. White is provided resumptive this 18 day of June 1865 to investigate the charge of alleged desertion against the following named soldier, viz. First James A. Thompson Co. E 12<sup>th</sup> K. Regt.

The following certificate is furnished on his description last obtained from the A. G. O. Washington, that on the month out Pass of Co. E 12<sup>th</sup> Regt. Sep. 26. for the month of Sep. and took advantage Dec. 1863. he is reported absent without leave since Oct. 25<sup>th</sup> 1862. The Commission there fore commences a full investigation of this man's case & took his affidavit and other papers which he signed.

The Commission find from the evidence that he was taken sick

Oct. 25<sup>th</sup> 1862, and as there were no hospitals at Springfield the surgeon <sup>Philip H. H. H.</sup> sent him home, that the doctor who treated him

sent two or more certificates to this  
Regiment showing that he has  
succeeded in joining this Regiment. When  
certificates were received by the Captain  
of his company although the certificate  
is not correct at the time he was  
absent, yet in view of the fact that  
this man is still useful for any  
Military duty. The Commission from  
that he is not a deserter and  
respectfully submit his case to the  
Superintendent Commission that  
the penalty of desertion may be  
remitted without trial under paragraph  
189 Army Regulations & that the man  
be honorably discharged out of the  
service.

Respectfully  
Geo. J. White

I would James A Henson Co. E 12<sup>th</sup> Ky Inf  
being first duty soon after. This  
Regiment reconstituted, but I did not.  
In Oct 1862 I left the Regiment because I  
was sick and the Surgeon of the Regiment  
told me to go home and remain until  
I got well enough to join the Regiment.  
I did not have any money. I went  
home to Whitley Co. Ky. I went first to Dr  
Scott & he told me I had better go to  
Dr Richmond. I went to him and he  
attended to me. This Doctor said that  
he made out certificates & reported  
my condition to the Regiment. I was  
sick all the time & not fit for duty.  
I remained at home until April 27 1865  
when I reported to Camp Nelson and  
got transportation to this place to get  
discharged out of the service.

## ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

## DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death, which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If he leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

VOLUNTEERS.  
*Killed Feb 20 1865.*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is entitled to his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the ending account, and of other charges against him or in his favor, as well as comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be ascertained upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to arms, baggage, &c., and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the Soldier is a drafted man or substitute, the space for time, &c., or enrolled, should contain only the word drafted in substitution, as the case may be. If the Soldier is a "VOLUNTEER," (or "DRAFTED") the words as a volunteer, (or drafted) as the case may be, should be interlined after the words enrolled, into the words of the U. S. A statement of all the statements of Soldiers or drafted men RECEIVED by the Soldier and, be entered on the back of each final statement.

three years, unless sooner discharged by proper authority: Do also agree to  
accept such bounty, pay, rations, and clothing, as are, or may be, established by law  
for volunteers. And George A. Higginbottom do  
solemnly swear, that I will bear true faith and allegiance to the United States of  
America, and that I will serve them honestly and faithfully against all their enemies  
whenever they appear; and that I will observe and obey the orders of the President

the Rules and Articles of War.

Sworn and signed before me, at Strassburg, Pa.

Signed George A. Higginbottom  
Witness J. H. Warden

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably  
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and

EXAMINING SURGEON.  
I, Geo. H. Higginbottom  
do hereby certify, ON HONOR, That I have minutely inspected the Volunteer,  
previously to his enlistment, and that he was entirely free from all  
bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of  
a soldier. I have strictly observed the Regulations which govern the recruiting service.  
This soldier has blue hair, fair complexion, is 57 years  
of age.

# ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, the copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

My Dear Mr. C.

Sir

Since Hill private Co 3<sup>d</sup> 12<sup>th</sup> Regt 176 having  
been reported on the Co rolls absent without proper  
authority from Sept 7<sup>th</sup> 1863 to Dec 24<sup>th</sup> 1863 at which  
time he voluntarily joined his Company at Plains Gap  
Regts East Tenn and has been doing duty with his  
Co in order of my troops in regts company the 1<sup>st</sup> of that time  
Company to date. And I am sure that he is a brave  
and patriotic man.

at Newmarket Ky request the 9<sup>th</sup> for thirty days which  
Chubbuck was recommended by the Surgeon in Charge to  
go to his home in Pulaski County Ky. The undersigned  
was at that time stationed at Somerset Ky as Regimental  
Officer of the 12<sup>th</sup> Regt. Inf. During the period he was  
Reported absent I saw him quite a number of times and  
am satisfied from his appearance that he was not able  
to perform the duties of soldier during the greater portion  
of the time he was reported absent without leave.  
And since Hill has enlisted in the Veteran Service for  
three years until he is sooner discharged by proper authority.  
I would therefore recommend that he be restored to duty  
with full pay and allowances for the time absent.

Respectfully

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

#### NOTES.

1. The amount of any extra pay for which the soldier may be mustered, or, as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
5. A careful settlement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
7. If the soldier is entitled to pay for the use of his horse, the company com-

- mander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as so to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Dep't.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word drafted, or substitute, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a substitute, when enlisted, (substituted, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, (thus 4th D. Mass., meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSARIES officers; not by enlisted men acting as such.

And I do solemnly swear that I will bear true and faithful allegiance to the United States of America; that I will serve them honestly and faithfully against all their enemies or opposers whomsoever; and that I will observe and obey the orders of the President of the United States, and the orders of the Officers appointed over me, according to the Rules and Articles of War.

John Hopkins

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Charles P. Russell of Jefferson County, Kentucky, 1865, we have strictly observed the Regulations which govern

in such cases. This soldier has gray eyes, black hair, fair complexion; is 5 feet 9 inches high.

Statement of Samuel Caskins  
12<sup>th</sup> Kentucky Vol. Infy.  
I went as a Substitute at Lebanon, Ky. on  
the 2<sup>nd</sup> of August 1864 and received \$100<sup>00</sup>  
Bounty for one year. I was sent to the Barracks at  
Louisville, Aug. 2<sup>nd</sup> 1864. I remained there 4 days, when  
I was sent to Gollicoffer Barracks, Nashville, Tenn.  
where I remained 3 weeks, the week after I went  
there, I received a pass from Capt. Hovershield, to  
allow me to go to town every day and report every  
night at 8 o'clock. I paid a Sergt. \$20<sup>00</sup> dollars to  
get the pass for me. On the 30<sup>th</sup> of September, 1864  
I bought a pair of Lewis Shoulder Staps and  
an Officers coat, and put them on and got  
aboard of the Car for Louisville, but was ar-  
rested on the car about 10 miles on my way  
to Louisville by the Conductor on the 30<sup>th</sup>  
of Sept. 1864 and turned over to another Conduc-  
tor going back to Nashville, Tenn. I was turned  
over to the Prison Mar. at that place who sent me  
to Chattanooga, thence to Atlanta, thence to  
Savannah, thence to New York, and finally  
to Prince St. Mil. Prison, Alexandria, Va.

Sir

I hereby  
respectfully tender the immediate resignation of the  
Commission I hold as Colonel of the 12<sup>th</sup> Regt Ky  
C. C. Infy —

My reasons for resigning are,  
that I have now been in the Federal service near  
Three years; during which time, my private business  
has suffered from neglect to that extent, that unless  
I immediately devote my personal attention to it  
I will be involved in hopeless pecuniary ruin —

My home is in Clinton County Ky, which I  
was compelled to abandon in the Spring of 1861, nor  
have I seen either home or agent left in charge since that  
time — My Regt re-enlisted whilst I was ab-  
-sent on detached service, and as I understood, with  
the impression that they were to be commanded by  
another. Therefore, however much I may regret  
the necessity which impels me to this step; yet a sense  
of duty to myself, and family demand that I should

adapt it - Having been the very first in the Federal service within my own state, I had hoped that no circumstances would intervene to prevent ~~my~~ from contributing my humble mite to the end, in crushing out the hellish rebellion -

Hoping that it may be deemed consistent with the interest of the service to grant my discharge from same; not doubting but that many can be found more competent (but more more zealous in the cause of the Union) to lead the gallant regiment which I have so long had the honor of Commanding; and which has never failed in executing an order given them; and with many prayers for the final, and speedy triumph of our cause I have the honor to be

Head Quarters 12<sup>th</sup> Regt. C. B. I  
Camp Buena Vista Dulacres Ky  
April 4<sup>th</sup> 1864

Capt J. Bates Dickson,  
C. B. I. Army of the Ohio  
Lexington Ky  
Sir

I would respectfully state, that on the 1<sup>st</sup> of March last, I had the honor of addressing to Head Quarters Army of the Ohio my tender of resignation as Colonel of the 12<sup>th</sup> Regt. C. B. I. But having heard from said communication, I beg leave to renew it for the following reasons: To wit:

1<sup>st</sup> The men of my regiment scattered whilst I was absent from them on detached duty, and with the distinct understanding that they were to be commanded by another

Officer. My home being in Clinton County Ky. I was on account of the presence of guerilla bands compelled to abandon it in the Spring of 1861, and having entered the service in July of the same year, my duties have been such as to forbid my visiting it since that time. Consequently, from long neglect of private affairs I have already sustained heavy losses, and will be pecuniarily ruined unless I immediately devote my personal attention to private business.

2<sup>nd</sup> Feeling well assured of the fact that another can be found more competent than myself to command the regiment, I believe it would be promotive of the interest of the service for the organization to enter upon their new term of enlistment under an officer who would calculate to remain with them for the three years, which a sense of duty to myself, family, and the service would forbid my doing, having long since determined to quit the service on the 1<sup>st</sup> of October next (if not sooner) at which time my term

My Office expires.

I feel therefore, by a sense of duty  
I hereby renew the tender of my immediate and uncondi-  
tional resignation, with the most earnest hope that the  
regiment which I have so long had the honor to com-  
mand, and which has never failed in the execution of  
an order given them, may under the command of another play  
a conspicuous part in crushing out the rebellion, and creat-  
ing law and order to our at present distracted Country.

I have the honor to be, Sir,

The right of my regiment this morning has been far over come - me as to ask of you the privilege of withdrawing my regiment that I may again return to them and duty. I have enlearned strictly to execute every order given me by my superior officers, and as I was laboring under a misapprehension of the meaning of the "Confederation Act" in relation being conscious of having committed any other offence that of tendering my resignation.

I would most respectfully

Col Hoskins has been a very  
faithful & valuable officer &  
I much regret that he has  
felt compelled to tender his  
resignation. I hope the Maj  
Genl Comd of the Army of the Ohio  
after more mature consider-  
ation will conclude to grant  
the Col a short leave of ab-  
sence. It is of the utmost im-  
portance to the Col to be at  
Danville Ky by the 1<sup>st</sup> of Jan  
else he would not think of  
taking leave at this time  
if he cannot go now it will  
be useless for him to go at all  
I can spare him for twenty  
days without material injury  
to the service. I have understood  
this thus at least because  
I happen to know the Col's

situation, and know that simi-  
lar circumstances would com-  
pel any one having a family  
in the same situation as his  
to take a similar course

would be less subjected to the annoyances incident to a

comfortably could I have the privilege of thirty days leave  
of absence by purchasing furlough which is for sale and  
to be sold on the first of January next. To avail myself  
of this opportunity to settle my family I had made verbal  
applications to Major Genl A. E. Burnside who permitted me it

should be granted in time for me to attend the sale of the property and I accordingly made application in writing to Maj Gen Foster for the leave after forwarding which on the 20th inst I received a telegram from my wife bearing the melancholly intelligence of the illness of one of my children and requesting my immediate presence at home. Therefore while I feel that I owe my Country much and for a proper appreciation of which I trust that my past Connection with the Army will attest yet at the same time I feel that I owe something to my family but little if any of my time since entering the service having been devoted to attending to their wants. and while there are many far more competent to discharge the duties of the office I hold than myself there are none who can discharge my duties as a husband and parent. and as I was the first in the service of the government within my own state I had hoped to contribute my humble mite to the end as I did in the beginning in crushing out this wicked rebellion and reestablishing the supremacy of Law and order in our land. Yet for the reasons above stated I am constrained to adopt the present course and ask for a discharge from the service sooner than is fortunate for the Authorities to violate a precedent which may have been established. I now most reluctantly but earnestly ask for discharge from the service if not deemed inconsistent

with the interest of the same with the assurance that my  
humble efforts will be devoted to the interests of the govern-  
ment. after the immediate duties devolving upon me as  
the head of a family shall be discharged

I was last mustered for pay as an enlisted man April 30th, 1864, last paid April 30th, 1864, by Major Kinney.

I was commissioned as a Captain by the Governor of Kentucky, the date of my Commission being July 26th, 1864, which was received and accepted by me November 9th, 1864. I entered upon duty as such by virtue of said Commission, a vacancy existing in said grade of Captain, in Company A, same Regiment, caused by the Muster Out of Captain L. C. Ham, Nov 9th, 1864.

I was again commissioned by the Governor of 1864, as a 1864, the Commission was received and accepted by me 1864. I entered upon duty as a 1864, by virtue of such Commission, there being a vacancy in the same grade in Company 1864, same Regiment, caused by the 1864 of 1864.

I was last paid as a commissioned officer by 1864 up to 1864.

# SUBSTITUTE VOLUNTEER ENLISTMENT.

STATE OF

TOWN OF

Kentucky  Louisville

I, Henry Hughes, born in the State  
of England, aged 24 years, and by  
occupation Sailor, Do HEREBY ACKNOWLEDGE to have agreed with  
Mr. H. Robinson, Esq., of Louisville  
Jefferson Co Ky

to become his **SUBSTITUTE** in the Military Service, for a sufficient consideration paid and  
delivered to me, on the 15 day of February, 1865;  
and having thus agreed with said Mr. H. Robinson, I DO HEREBY  
ACKNOWLEDGE to have enlisted this 15 day of February,  
1865, to serve as a **Soldier** in the Army of the United States of America, for the period  
of **THREE YEARS**, unless sooner discharged by proper authority. I do also agree to accept such  
bounty, pay, rations, and clothing as are, or may be, established by law for soldiers. And I do  
solemnly swear that I will bear true and faithful allegiance to the **United States of America**;  
that I will serve them honestly and faithfully against all their enemies or opposers whomsoever;  
and that I will observe and obey the orders of the President of the United States and the orders  
of the officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at Louisville Ky

this 15 day of February, 1865  
Signed Henry Hughes  
Before G. M. M. Mack  
Capt & Pres. M. H. Dir  
of Ky

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute  
agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity  
which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober  
when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to  
perform the duties of an able-bodied soldier, and as a Substitute in lieu of Mr. H. Robinson  
of Jefferson Co Ky, inducted in 5 Dist Ky,  
1865, we have strictly observed the Regulations which govern  
in such cases. This soldier has blue eyes, dark hair, fair complexion; is 5 feet 4 1/2

I have the honor to make  
application for leave of absence for (30) thirty days  
for the following reasons  
about six months ago the Guerrillas visited the  
residence of my father and murdered him in his  
own house and I have just received information  
by letter that they have made their second appearance  
and killed my brother. Lately discharged from the Federal  
Army

which leaves my friends at home in such  
condition as demands my immediate attention.  
I have not had a leave of absence since the  
Volunteer reorganization of my Regiment -

War Department,

Adjutant General's Office,

Washington, May 25, 1888

This man deserted on or about February

23, 1863, and returned

on or about September 17, 1863.

As he was subsequently restored to duty by G.O.

Pro. S. O. Hdqrs. A. of the Ohio, dated

Nov. 15, 1863, without trial, but upon conditions which appear to have

been complied with (so far as not waived by the Gov-

ernment), the charge of desertion no longer stands

against him. The record of the fact that he was absent

in desertion from on or about Feb. 23,

1863, to on or about Sept. 17, 1863,

cannot, however, be expunged.

Dept. of the Ohio

Sir

I herewith tender  
my immediate resignation of the Commission I hold  
as 1<sup>st</sup> Lieut Co. "D. 12<sup>th</sup> Ky Vols Inftry. My reasons for  
so doing are as follows;

1<sup>st</sup> My Company and regiment have <sup>Cops</sup> reenlisted in  
the Union with the understanding that they should select  
their own officers; and as I promised the Company that  
if they would reenlist, I would be mustered out of service.

2<sup>nd</sup> The Company to which I belonged have reenlisted  
under other officers.

3<sup>rd</sup> I have five sons in the Federal Army my  
wife and children need my protection, and I there-  
fore request to be released as soon as possible

R. Hunt

1<sup>st</sup> Lieut Co. "D. 12<sup>th</sup> Ky Vols

I Certify I am in no way indebted to the  
U. S. G. that I have no government property in  
my possession, was last paid by Maj. Throck

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably  
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and  
moral infirmity, which would in any way disqualify him from performing the duties of a soldier.

EXAMINING SURGEON, I

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, *James M. Hudson*  
conformably to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment  
and belief, he is of legal age, and that, in accepting him as duly qualified to perform the duties of  
an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.  
This soldier has *Blue* eyes, *Light* hair, *Light* complexion, is *Five* feet  
*Eight* inches high.

## CERTIFICATE OF DISABILITY FOR DISCHARGE.

(To be used, in duplicate, in all cases of discharge on account of disability.)

*Cummingham Irwin* of Captain *William P. Payne's* Company, (G.) of the *Twelfth* Regiment of United States was enlisted by *Wm P. Payne* of the *Twelfth* Regiment of *Ky. vol* at *Amestown Ky.* on the *15th* day of *October* 1862, to serve *3* years; he was born in *Clinton County* in the State of *Kentucky*; is *thirty six* years of age, *6* feet *1* inches high, *Fair* complexion, *Blue* eyes, *Light* hair, and by occupation when enlisted a *Farmer* - During the last two months said soldier has been unfit for duty *30* days. (Here consult directions of Form 12, p. 200, Medical Dept. Gen. Reg.)

Said *Irwin* was unfit for service about three weeks, during the month of *January* owing to a disease of the *Kidneys* & *Rheumatism* in the left hip attended with *Gout*. The said *Irwin* has been laboring under chronic inflammation of the *Kidneys* & *Rheumatism* in the left hip for some *12 or 14* years. Date: *Camp near Columbia Tenn* *March 31 - 1862* *Wm P. Payne* Commanding Company.

I CERTIFY that I have carefully examined the said *C. Irwin* of Captain *Payne's* Company, and find him incapable of performing the duties of a soldier because of *Rheumatism of the left hip joint* which disables him in marching. He also has *chronic affection of the kidneys*, that weakens his back and renders him unfit for the service - These affections were contracted before entering the army. *W. H. Levens* Surgeon. 38 Regt. A. Vol.

DISCHARGED, this *15th* day of *May* 1862, at *Camp on Moul Creek* *A. Vol* Commanding the Post.

Form 1. - When a probable case for pension, special care must be taken to state the degree of disability.  
Form 2. - The place where the soldier was taken to be added may be here added.
